Race Day**

Food Stations

***Time: 7:00 a.m. – 11:00 a.m.
6 people needed***

This position is under the direction of the Vendor Coordinator (if applicable). Volunteers are to prepare and/or set out food as needed before the Run. An example of food preparation is slicing bagels and bananas. Volunteers are asked to encourage those who are not participating in the Run to save the food for the runners. As Run participants cross the finish line, volunteers are to monitor the food stations, and refill as needed.

Process:

- Check in at volunteer tent.
- Be introduced to Vendor Coordinator (as applicable).
- Vendor Coordinator will assign specific task and food station.
 - Assignments will take into consideration past experience with the Run.
- Stay close to vendor area until end of event.
- Refill food/drink as needed.
 - There will be times that are quieter in this area, but the area will fill up quickly as people cross the finish line.
 - As the number of people increases in this area, it is critical that volunteers keep up with restocking food/drink/clean-up as needed.
